

Laura Mujica _ Sr. Graphic Designer

Córdoba, Argentina • hello@lauramujica.com • www.lauramujica.com • linkedin.com/in/lauraamujica • be.net/laura_mujica • github.com/laumujica

Senior Graphic Designer with 10+ years of experience across brand identity, print production, and digital design. I develop clear, consistent visual systems and carry projects from concept and creative direction through production and implementation, combining strong design judgment with hands-on technical expertise.

WORK EXPERIENCE

Sr. Graphic Designer · AI-Integrated Workflows · Independent – Remote | Feb 2026 – Present

- Developing brand identity and visual design projects for clients across LATAM and the US, from concept through production.
- Refining AI-generated assets for digital and print, ensuring visual consistency, technical accuracy, and production readiness.

Graphic Designer & Web Content Designer · UENI, London Tech Startup – Remote, Contractor | Apr 2025 – Nov 2025

- Adapted typography, color, iconography, and imagery across 100+ websites for entrepreneurs and small businesses, maintaining a coherent visual identity for each brand.
- Curated and edited photography, icons, and AI-generated imagery to support each website’s visual direction.
- Delivered websites across diverse industries, markets, and business needs, adapting each solution while collaborating within a 15+ person international team and following structured production workflows.

Founder & Brand Identity Designer · Technosur, Design Studio – Córdoba, AR | Aug 2019 – Nov 2025

- Delivered 40+ branding, print, web, and digital projects, managing each engagement from brief to final delivery.
- Created complete visual identity systems for 10+ clients, including logo, typography, color, visual applications, and brand guidelines.
- Led a five-year brand evolution and rebranding project, supporting the client’s business expansion and transition to digital channels.
- Managed client relationships and overall project delivery, including requirements, scope, budgets, timelines, feedback, collaborators, suppliers, and production.

Sr. Graphic Designer & Print Manager · Efectomadre, Design Studio – Córdoba, AR | Apr 2024 – Aug 2024

- Prepared and adapted existing artwork for production, ensuring accurate dimensions, resolution, color settings, margins, bleeds, and cutting requirements.
- Managed the production of physical products, packaging, sample kits, and retail displays, from file preparation and material selection through printing, finishing, assembly, and final quality control.
- Established repeatable production standards and organized files, artwork, materials, and components to make recurring production faster, more reliable, and consistent at scale.

Graphic Designer · Xpack, Printing Shop – Córdoba, AR | Aug 2018 – Mar 2019

- Managed prepress preparation for 300+ pieces, including business cards, flyers, calendars, packaging, and editorial materials.
- Reviewed and corrected color profiles, resolution, bleed, alignment, and other technical specifications before production.
- Produced technical files for specialty finishes including lamination, UV varnish, and matte OPP coatings.
- Created mockups and preliminary design versions for internal review and client approval.
